**Division of Workers'
Compensation**

Department of Labor and Employment

Colorado Division of Workers' Compensation Department of Labor and Employment (DOWC)

Upcoming Adoption of IAIABC XML Schema effective 10/1/2026

Date: August 20, 2026

To: All EDI R3.1 Vendors and Trading Partners

DOWC will make the change to the XML XSD effective on 10/1/2026 (IAIABC Earliest Implementation Date) to stay in line with the Release Schedule, to relax the IAIABC Release 3.1 XML XSD validation for DN0014 Claim Administrator Postal Code, that shows Jurisdiction Adoption Period 07/01/2026 to 8/31/2026 and Trading Partner Adoption Period 09/01/2026 to 09/30/2026.

IAIABC Communities posting, in summary:

Per the IAIABC XSD Maintenance Guidelines, a new Claims Release 3.1 XML schema has been published that includes the corrected DN0014_ClaimAdministratorPostalCode from type requiredString9 to type string9 to match Claim 3.1 requirements.

If you have any questions regarding DOWC EDI Claims Release 3.1, please contact the DOWC EDI Support Team at codowcedi@verisk.com.

Thank you,
