DOWC EDI Claims Release 3.1 Status of Acknowledgments

Date: July 23, 2026

The Colorado Division of Workers' Compensation (DOWC) continues to process EDI Claims Release 3.1 FROI and SROI files received to date to ensure all submitted data is successfully loaded and accessible within their new CoComp system prior to the release of all acknowledgments to trading partners.

Acknowledgments for files received on July 9, 2026, will be released today. Acknowledgments for all remaining files are expected to be released by Monday, July 27, 2026.

Questions?
